Fresh Survey to Identify Problem Villages

4015. **MISS SAROJ KHAPARDE:**
SHRI TINDIVANAM G. VENKATRAMAN :

Will the PRIME MINISTER be pleased to state :

(a) whether the Central Government propose to advise the State Governments/ Union Territories Administrations to carry out a fresh survey to identify the problem villages which could not be so far provided safe drinking water facilities ; and

(b) if so, the details thereof ?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI UTTAMBHAI H. PATEL) : (a) and (b) All the State Governments/Union Territories Administrations were advised to carry out a survey of status of drinking water supply in Rural habitations/villages covering various aspects like whether the habitations are without safe source of drinking water or covered fully or partially, availability of drinking water in village level institutions/for cattle, quality of drinking water etc. The results of part I of survey of status of drinking water supply in rural habitations is likely to be available by the end of April, 1992, except for some parts in some States where the survey could not be started on schedule due to climatic or other factors. The results of part II of the survey relating to quality of drinking water are likely to be made available by end of September, 1992.
